

# Geography at Peel Park

## Autumn Term

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Where do I live?	What do I know about the UK and where I live?	How different would my life be if I lived in Kenya?	What are the unique features of the UK?	Why do so many British people go to the Mediterranean for their holiday?	What creates a rainforest and why are they located where they are?	What do we know about North America and what are its main geographical features?

## Spring Term

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Where does my food come from?	Why are some places in the world always hot and others always cold?	Why do we like to be beside the seaside?	Why is the Lake District one of the UK's unique locations?	What are biomes and how are they created?	What is Fairtrade and why should it matter to all of us?	How do maps help us find our way around?

## Summer Term

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
What is an island?	Why do we recycle?	What goes on at an airport and a train station?	How is a river formed?	How are mountains formed and what causes an earthquake, tsunami or volcano?	How did Blackpool become the UK's favourite seaside resort?	Why is climate change such an important topic?
