Mathematics	Mastering Number (NCETM): Build on previous experiences of number from their home and nursery environments, and further develop their subitising and counting skills. Explore the composition of numbers within 5. Begin to compare sets of objects and use the language of comparison.		Mastering Number (NCETM): Continue to develop subitising, counting skills and explore the composition of numbers within and beyond 5. Begin to identify when two sets are equal or unequal and connect two equal groups to doubles. Begin to connect quantities to numerals.		Mastering Number (NCETM): Consolidate their counting skills, counting to larger numbers and developing a wider range of counting strategies. Have secure knowledge of number facts through varied practice.
